"Party Time Is Mine"

My professions are both DJing and Photography. I have been doing both for 10 years. This includes all events: weddings, birthday parties, football games, galas, proms, crawfish boils, quinceañeras, graduations, and any other customer request not listed.

**DJ EQUIPMENT:** My equipment includes 2 -18' Behringer xr speakers, 1 -18" Subwoofer, 1 Mixtrackpro II controller, 1 Siao 17" laptop, 1TB external hard drive full of a variety of music, 7 mixed lights, 1 fog machine, and DJ partition with lights around it.

**DJ RATES:** My rates include an all in one party package starting at \$100 to \$200 per hour. If the guest would like to bundle with photography it will be an additional \$50 per hour for a minimum of 2 hours and a maximum of 4 hours for the photo shoot.

**PHOTOGRAPHY EQUIPMENT:** Photos are taken with a Canon T5i that includes 2 lenses, flash kit, theme background or green screen with a background of the guest's choice, 2 umbrellas with continuous lighting, and a Sony HDR-P J530E camcorder with a projector if the guest would like the event recorded.

**PHOTOGRAPHY RATES:** These rates may vary. I have packages with a variety of sizes that will be attached with this information. If applicable I can print on site if requested by the guest for an additional \$10.00 per 8X10 instant photos. This will be included in pricing as listed.
